

Bearwood Lakes

Guest Guide – with Covid-19 amendments

**** Please respect Social Distancing at all times ****

Track & Trace and Face Coverings

To meet Government regulations we are required to take names and contact details for everyone who uses the Lounge, Sports Bar, Balcony and Restaurant – this is for **Track and Trace** purposes. Please enter the Clubhouse via the main doors at the front of the building and wait to be seated.

Face coverings must be worn in the Clubhouse and the Pro Shop.

Dress Code

Off the course: Smart casual dress may be worn throughout the Clubhouse at all times unless specified otherwise by your host. Smart jeans / trainers may be worn at Bearwood Lakes, however scruffy / ripped jeans, tracksuits and football shirts are not permitted. Soft spiked and spiked golf shoes are not allowed in the Lounge or Restaurant although you may access the Balcony and Sports Bar wearing them. Metal spikes are NOT permitted. Caps should not be worn in the Clubhouse.

On the course: When using the course or practice facilities, golfers should wear attire specifically manufactured for the game of golf (we politely request, no hoodies). Under no circumstances are jeans, jogging bottoms, football / rugby shirts or training / cricket shoes allowed. All midriff should be covered. Smart / tailored shorts may be worn with WHITE sports socks which must be visible by 1 inch above the top of the shoe. Men's shirts must be tucked in at all times. If choosing to wear a cap, this should be worn the correct way round. Metal spikes are NOT permitted.

Etiquette

Please take care of our golf course as you would your own; so please repair pitchmarks on the greens and replace divots on the fairways and in the rough. Please keep trolleys and buggies out of the rough and away from the greens. From the end of October until the end of March we operate a Winter Wheel policy, therefore trolleys must be fitted with recognised winter wheels in order to be used on the Golf Course.

Personal rakes are essential. These can be purchased or rented through the Pro Shop. Bunkers MUST be raked after leaving the hazard.

Halfway Hut

Open approx. 8.30am – 5.00pm in the summer and 8.30am – 2 hours before dusk in the winter. We offer a grab and go service including hot and cold drinks along with snacks including homemade sausage rolls, sandwiches, cakes and confectionery. Payment can be made by card or member account (no cash).

Slow Play

A 4-ball should take no longer than 4 hours and 10 minutes. England Golf suggest NO playing through, so please keep up with the group in front.

Yardages

Yardages are marked on the sprinkler heads showing distances in yards, to the front and the middle of the greens.

Mobile Phones

Please refrain using mobile phones on the course unless in an emergency. Use in the Clubhouse should be restricted to text and internet browsing. Voice calls should not be taken inside the Clubhouse.
